Subject: Please do not threaten local jobs

The EPA should think about small companies and families that will help foot a big bill for the river cleanup when many of them struggle.

The amount of wages generated by companies in the Portland harbor help so many families put food on the table. We all support a clean Willamette River but it's also crucial that the cleanup is flexible and not be so expensive that it threatens local jobs.

Thank you for allowing me to weigh in on this important process. Please make sure the cleanup is good for our environment and our economy.

Sincerely,
